## Vale - Keith Davidson

Keith Davidson died suddenly at home on 25 July 2023. He joined the Club in 2013 and was a regular Sunday walker and an active member of the Walter Briggs Hut Subcommittee. He attended many club social functions and always enjoyed the company of fellow bush walkers. He loved the outdoors and was a great walking companion with many interesting stories to tell. He also enjoyed sailing, skiing and cycling. He was a frequent visitor to the Walter Briggs Hut at Mt Donna Buang and was always willing to lend a hand when there were jobs to be done. He was also a devoted father and grandfather. He was a true friend and he will be greatly missed by everyone who knew him.

Trevor and Kim Rosen.

Maps: Melway 34 & 22

Grading: Medium

Distance: 13.0 km.

Transport: By public transport OR private car. There are numerous buses, including the #906 and #905 from stops in Lonsdale St and the #901, either directly or from Blackburn or Greensborough stations. Best to check the PTV app for times and other options. If coming by car, park in the Pines Shopping Centre car park off Reynolds Rd (nominally 4 hours but not enforced) or one of the streets near the morning tea spot. There are toilets in the Shopping Centre.

Morning Tea: Matisse Reserve, 17 Renoir Ave., Templestowe (Melway 34 C6). No cover, no toilets.

Walk Details: This is a new walk and is essentially a figure of eight. From morning tea we follow the Green Gully Trail to the Mullum Mullum trail then cross the Mullum Mullum Creek just before the junction with the Yarra and do a loop eastward along the Yarra through Tikalara Park then to the play area near Beasley's Nursery for lunch (toilet and coffee in the Nursery). We then follow the Mullum Mullum Creek to Reynolds Rd and return to The Pines. Some of the tracks can be muddy after rain so wear appropriate footwear. Some gentle hills.

Escapes: The only escape is at lunch (at 8.8 km) on the #906 bus on Heidelberg–Warrandyte Rd.

Walk Details: We will leave the cars there and walk to Eatons Cutting, where we then start a bush and open country walk, and proceed through

Arthurs Seat Park to Boundary Rd. then loop back up to OT Dam for lunch. This is a steep section of the walk with some more short steep hills after lunch.

There are good views and rugged bush tracks that make this an attractive walk.

Follow the signs to the picnic area.

Morning Tea: In the picnic area.

## **Wed 13 Sep Presidents Walk: Dromana – Arthurs Seat – Eagle Gondola**

**NB. You must contact the leader if you intend to come on this walk.**

Leader: Trevor Rosen

Phone: 0412 136 124

Distance: 11 km approx.

Transport: There are two options to get to the Mornington Peninsula Visitor Information Centre at Dromana. Either by private car or by catching public transport. If you're driving there is ample parking either in front of the centre or in the side street. If you're using public transport catch the train to Frankston and then catch the #887 bus from Frankston Station which stops outside the centre. The following options are available:- 8.41am train from Southern Cross arrives Frankston 9.54am. Bus #887 departs Frankston Station 10.14am and arrives at 10.42am. 8.51am train from Southern Cross arrives Frankston 10.04am. Bus #887 departs Frankston Station 10.14am and arrives 10.42am.

Walk Details: We will walk from the Visitor Information Centre to the base terminus for the Arthurs Seat Eagle gondola. This is a short walk along back streets and is about 1.5km. We will then catch the gondola up to the top of Arthurs Seat. The one way adult fare is \$23.00 and concession \$19.50. (The return fares are adult \$31.00 and concession \$28.00.) We will then do the Summit Circuit Walk which is about 2km and includes part of the Seawinds Gardens, several lookouts and the William Ricketts sculptures. We will have lunch in the gardens.

After lunch we will walk to the Two Bays Walking Track and walk back down to Dromana to where we started the walk at the Visitor Information Centre. Most of this track is easy to walk on but one section is quite steep and rocky. In this section there are rough steps but poles are recommended.

For those using public transport the #887 bus departs on the half hour going back to Frankston. (There is also a #788 bus to Frankston but it takes twice as long.)

If anyone does not wish to walk back down to Dromana you should buy a return ticket for the gondola. If you don't wish to walk from the Visitors

Centre to the gondola at the start of the walk you could drive to the base terminus of the Eagle gondola and again buy a return ticket.

The Boobyalla Track is a well sign-posted track which commences at the summit of Mt Donna Buang and heads north. It has become very overgrown and not suitable for club walks. An introductory day was held on Friday 21 July. It went well and 5 further days between now and the end of 2023 have been arranged.

At the summit we meet the Rangers, attend their safety briefing and are then transported into the work area. The equipment is provided – last time it was sharp loppers and pruning saws. Next time we have the option of being trained to use brush cutters.

What to bring: Gardening gloves, gaiters, ear-muffs (if you want to use a noisy brush cutter), packed lunch, drinking water, clothing for all seasons.

**N.B. Participants need to have a current Working with Children Check (<https://service.vic.gov.au/services/working-with-children>), must register on ParkConnect (<https://www.parkconnect.vic.gov.au>) and join the group “Melbourne Walking Club – Woori Yallock”. Afternoon Tea: Three Sugars Café, Warburton.

## **Sun 17 Sep Peninsula: Tuckeys Track**

## **Mon 18 Sep Launching Place – O’Shannassy Aqueduct – Warburton**

0429 359 832

Walk Details: An attractive and interesting walk that includes tree-lined

roadside trails, about 1 km of serious uphill road and track, then 8 km of level walking along the picturesque access track beside the historic O'Shannassy aqueduct. The aqueduct contours through a forest of tall trees and giant tree-ferns with occasional good views of the upper Yarra valley. The final 2 km into the western edge of Warburton is downhill on made streets. A bit of uphill 'pain', but much to gain! The leader will also outline the history and significance of the aqueduct and point out some of its notable features.

The aim will be to have lunch – perhaps a tad late – at the Dee Road picnic area that has tables and a great view, but no cover. If it is raining, a former gauging station hut shortly before Dee Road may be able to be used as a shelter shed.

Route 683 afternoon buses leave from the Scotchmans Creek stop on Warburton Highway at 40 minutes past the hour and take about 50 minutes to reach Lilydale railway station. With public transport travel time included, be prepared for a longish day. (Unless the party is particularly slow, the Scotchmans Creek bus stop should be reached in time to catch the 3:40 pm bus.)

Escapes: The walk could be shortened to about 12.5 km by following Dee Road from the aqueduct downhill into Millgrove and then catching a #683 bus from there (at about 45 mins past the hour).
