# MARCH WALKS

## Sun 3 Mar Point Roadknight – Aireys Inlet

**NB. You must contact the leader if you want to attend this activity.**

Leader: Glen McIntyre

Phone: 0468 971 450

[glenmmcintyre@gmail.com](mailto:glenmmcintyre@gmail.com)

Rendezvous: 10.00am Point Roadknight Beach Carpark (NOT Point Roadknight Bridge).

Grading: Easy

Distance: 12-13km.

Transport: Private car. Drive over the Westgate Bridge in the direction of Geelong. Take the Geelong bypass and follow signs to Great Ocean Rd towards Anglesea on the B100. Drive through Anglesea until you get near the outskirts. You will see a sign on the left that says Point Roadknight Beach. Go down Third Avenue, through a number of roundabouts to the carpark and park near the toilets.

For the car shuffle some of us will take our cars to the Airey's Inlet Lighthouse carpark. At Airey's Inlet turn left into Inlet Rd just before a brown sign for Spit Point Lighthouse precinct. Continue up the top of the hill to the Lighthouse carpark..

Walk Details: This is a very pleasant walk about 50% along the beach and then along the Surf Coast Path up to a ridge where you have some spectacular views overlooking the sea until you get to the Airey's Inlet lighthouse. Here we will finish the day at the very pleasant coffee shop.

The beach we walk along is the nesting place of the hooded plover which nests from August to March.

It is an easy walk and should take about 3 hours. Urquhart Bluff is about half way. There are tables and toilets there. However a nicer place for lunch is a few hundred meters up on the ridge where there is a table and a couple of benches. Here you have a bird's eye view of the beach back to Anglesea.

Participants must contact the leader as this walk requires a car shuffle with some cars required at Airey's Inlet. Car shuffle arrangements can be worked out once we meet. While some have morning tea some cars can be taken to Airey's Inlet.

## Mon 4 Mar Somers – Sandy Point

Leader: Doug Connell

Phone: 0419 527 653

Rendezvous & Morning Tea: 9:45am at Somers Store Car Park, Melway

194 B10.

Maps: Melway 194      Grading: Easy      Distance: 11km.

Transport: Private car.

Walk Details: Beach walk from the Somers Store to Sandy Point, where we cannot walk any further because of the boundary of Cerberus Naval base. We have lunch in the sand dunes then return on the same beach track to the car park opposite the Somers store. With the weather OK this can be a nice summer walk, there is a toilet at the start only, the walk has plenty of bush.

### **Wed 6 Mar Westgate – Victoria Harbour – City**

Leader: David Watkins

Phone: 0414 547 190

[david39mwc@gmail.com](mailto:david39mwc@gmail.com)

Rendezvous: 9.30am under Westgate Bridge at Sardine Street (Melway 56 D1).

Morning Tea: Westgate Park; Shelter, Toilets (Melway 42 F12).

Grading: Easy

Distance: 12km approx.

Lunch: Near end of Station Pier.

Walk Details: A flat walk through Westgate Park then down to Sandridge Life Saving Club. At this point a decision will be made on walking down the Webb Trail to the Observation Point and return. We shall take the coastal path and follow to Beacon Cove and lunch. Following lunch we pick up the walking track following the #109 Light Rail Route to the Westgate Freeway and then across Seafarers Bridge along Flinders Wharf to Docklands Park and Southern Cross Station to complete walk. Many escapes.

### **Sun 10 Mar Mt Donna Buang – Walter Briggs Hut – Boobyalla Track**

**NB. You must contact the leader if you want to attend this activity.**

Leader: Kim Rosen

Phone: 0422 804 816

Rendezvous: 9.30am at the Rainforest Gallery, Acheron Way, Mt Donna Buang. Car parking is available as well as toilets. We will leave some cars here and then drive to the summit of Mt Donna Buang in the remaining cars. The walk will commence from the Summit.

Grading: Medium

Distance: 12 km.

Transport: Private cars.

Walk Details: The walk initially is off track down through the bush and the rainforest to the Walter Briggs Hut where we will have morning tea. After exploring the hut and the immediate surrounds we will retrace our steps up to an access track which will lead us to the Boobyalla Track. This track, previously very overgrown, has been recently cleared (or almost cleared) by members of the MWC and two other clubs working with the local Park Rangers. The Boobyalla Track climbs gently over Mt Boobyalla and then descends to a saddle and another Access Track, Road 4. The walk continues down Road 4 to the Acheron Way and back to the cars at the Rainforest Gallery. This is a very pretty walk.

It is advisable to wear long trousers and gaiters (if you have them). Poles will be useful on the off-track section. Bring an extra water bottle.

Afternoon Tea: At the Three Sugars Café, Warburton.

### **Wed 13 Mar Flinders Street Station – Gardiner Station**

Leader: Richard Bowen

Phone: 9885 0438

### **Sun 17 Mar Portsea – Sorrento, Artist's Trail & Millionaire's Walk**

**NB. You must contact the leader if you want to attend this activity.**

Leader: Sue Cranage

Phone: 0414 669 948

Rendezvous: 9.15am at the Point Nepean National Park carpark. Melway 156 C2.

Morning Tea: At the Point Nepean National Park Carpark. Toilets available at car park.

Maps: Melway 156 & 157     Grading: Easy/Medium     Distance: 12km.

Transport: Via car on Peninsula Freeway M11 to Mornington Peninsula. At end of M11 Freeway continue straight ahead at the roundabout to reach Boneo Road then turn right at roundabout and go straight until you turn left at Point Nepean Road. Stay on the Point Nepean Road to go to Sorrento and then turn right as you come into Sorrento to go on to Portsea. Continue through Portsea along the Point Nepean Road through to the Entrance of the Point Nepean National Park and to the carpark on the left just after you go through the entrance to the National Park.

Walk Details: Start walk at 9.45am. Most of the track is on well-formed paths. Starting from the carpark there is a short walk out to Police Point to learn about some of the early history of the Quarantine Station and to view a couple of early paintings of Port Philip Bay. Then returning to the main road pathway, the walk will go to The Cutting and go down onto a section of beach as the walk continues onto the Portsea Pier for a wander. Then returning to the Pt Nepean Road, the walk goes to Franklin Road to a walk along the cliff tops for some beautiful views of Port Philip Bay, some more of the artists trail and views of the backyards of some modern looking Portsea Mansions. The walk then continues down onto Shelley Beach for a 1.5 km walk along the beach to Point King, and an historical marker. From Point King, the walk continues onto the famous Millionaires Walk, which is about 1km. Then the walk returns to the Point Nepean Road pathway for another 1km to the Sorrento History Park where a spot for lunch will be chosen. Toilets available at park. Again, there are beautiful views of Port Philip Bay and the Sorrento Pier. There may be time to walk down to Sorrento Pier and back to the park. The return walk of 3km will be along the gardened pathway following the Point Nepean Road back to Portsea for a coffee and cake. Then there is a 1km (15 min) walk back to the carpark.

Escapes: There is a 788 Bus service between Sorrento and Portsea.

Notes: Poles and walking boots would be helpful on a gravelly section of the trail. There will be two sections of the walk along the beach in sand. One beach sand section is short, and the other is about 1.5km. There are also a couple of small hills in sections of the walk.

## **Mon 18 Mar Mount Eliza – Canadian Bay – Frankston**

**Note that this walk's start has been changed.**

Leader: Les Littlejohn

Phone: 5987 2215  
0409 400 302

Rendezvous: Frankston railway station at 9.45am.

Transport: 8.38am Frankston train ex Flinders Street, arrives Frankston at 9.45am. 9.55am route 785 bus ex Frankston, bus bay C, alight at Coonara Ave at 10.06. Check Metro trains website for any works disruptions which may affect travel times. At time of writing none are shown.

Maps: Melway 105, 101 & 102.

Grading: Easy/medium

Distance: 11 km approx.

Morning Tea: Rupert White Reserve. There are seats but no toilets available (Melway 105 F4).

Walk Details: This is a new walk starting at Rupert White Reserve. We walk for a short distance down Koetong Parade before turning onto a foot track following Earimil Creek downstream until the track emerges onto Ryde Ave. The creek is impassable from here so a little street walking is required to reach the beach via steps off Rosserdale Crescent. We may visit a lookout at the South end of Ranelagh Beach. The walk follows the beach basically North passing behind Canadian Bay Boat Club. There are toilets here, and depending on time this could be a good lunch spot. Walk continues along coast, using clifftop path in parts passing Davey's Bay Boat Club as far as steps up to Gulls Way which leads to Nepean Hwy. Footpath is followed down Olivers Hill and along foreshore. Cross Highway at a set of steps and ascend to reach the Esplanade. A short walk leads to Beauty Park then to Baxter St and Fletcher Road and Frankston Station.

Escapes: None until reaching the Nepean Highway after lunch. The bus service is fairly frequent.

## **3rd Wed 20 Mar Wattle Park**

Leader: Doug Swinbourne

Phone: 0438 881 176

Rendezvous: 10:20am at Box Hill Bus Interchange (bay 13).

Maps: Melway 60 & 61

Grading: Easy

Distance: Approx 7 km.

Transport: Belgrave train at 9:40am Flinders Street, arriving at Box Hill at 10:16am. Then the #767 bus leaving Box Hill Bus Interchange at 10:25am.

The walk then explores the park, nearby Gardiners Creek and parts of the Deakin University grounds. Lunch will again be at the picnic ground adjacent to the chalet. There are some short uphill sections.

### The Window In The Rock

They took a car, a Balmain car,  
Some tourists from the City,  
And when they reach'd Narooma lake  
They vowed that it was pretty.

They lunched beside the waters bright  
On oysters, fish, and hock,  
And then they all went forth to see  
The Window in the Rock.

They saw how lovely Nature touch'd  
The scene with fairy wand,  
And climbed the ridge and looked with joy  
On all the blue beyond.

The girls, too, scrambled up the side,  
and tore their pretty frock,  
And said, "Oh, my, we'd like to buy  
The Window in the Rock!"

The rippling tide came flowing in  
Upon the golden sand,  
So calm, so peaceful was the scene,  
So noble, pure, and grand.

They left it as the sun went down,  
That true unerring clock,  
But far away they'll learn to love  
The Window in the Rock,

For there are rocks in human lives  
Which seem to have no door,  
But one high Window overhead  
Which stands for Evermore.

Where we can see the blue beyond  
To comfort, cheer, or mock,  
Why, everybody talks about  
That Window in the Rock.

*The Cobargo Chronicle*, 16th Jan 1914.

*The Window in the Rock* or *The Hole in the Rock* is today promoted as  
*Australia Rock*.
