Annual Combined Walk with MWWC

On Sunday 3rd May we had the annual Combined Walk with our sister club the Melbourne Women's Walking Club. As you know it's a tradition going back a very long time. The MWWC was formed in 1922 by a group of women who were unable to join the MWC. The two clubs take it in turns to organize this walk.

The walk was organized by MWWC and was at Doongala in the Dandenong Ranges. Our club had 16 members and 2 visitors attending, while MWWC had 24 members attending. There was an 8km walk and a 12km walk.
